The Fratton Festival of Light is coming!

The Festival of Light will be on Wednesday 2nd December starting at 6:30pm from the Royal British Legion Club. People will walk down Fratton road with their lanterns to St Mary's Churchyard.

There will be projections outside of the church and performances inside, plus making activities and refreshments.

20 Streets in Portsmouth project

A partnership between Portsea Parish and Fratton Big Local received £9,900 from the Heritage Lottery Fund for a project, '20 Streets in Portsmouth the St Wilfrid's Memorials'. Awarded through HLF's **First World War: then and now** programme, the project will focus on the men listed on the war memorials in St Wilfrid's Church George Street Buckland.

993 men are named on the memorials, most of them from just 21 streets in Buckland of which 20 survive between St Mary's Road and New Road.

This project is to mark the Centenary of the First World War, it will also enable local people to come together to research and preserve memories of these men who served in the First World War. Volunteers will research the men through a variety of records, and also where possible collect photographs, newspaper clippings, documents, letters and photos, as well as tales passed down to help them.

Keith Roberts will lead the project, if you would like more information or want to volunteer please contact:
