Fratton Global Garden

You always told us that you wanted a space to grow fruit and veg in Fratton, and now we have one! Fratton has a new community garden in the grounds of Manor Infant School in Inverness Road.

Anyone can get involved regardless of age, but children must be accompanied by an adult. It's a space where experienced gardeners and first time growers can work together, share tips and the produce grown.

There will be regular sessions starting from Weds 4th May 2-3pm (term time) and then every Wednesday and Thursday.

To take part just turn up to the reception on the day.
